To Farmers and Live Stock Dealers

Owing to numerous communications we are daily receiving, to the effect that sunare daily receiving, to the effect that sundry parties are representing themselves in this and adjoining counties as buyers of hogs and cattle for this company, we take this means of notifying the public that we have no such buyers, outside of Wichita. In the event of our putting buyers on the road or in the country they will be furnished with necessary credentials, fully identifying them which they will cheerfully produce as evidence of being in our employ.

OKLAHOMA.

Now that the millions of acres of this magnificent country are to be opened to settlement, thousands of anxious home-seekers are pressing towards the "Promised Land." Twelve o'clock, noon, of April 22d, 1889, is the time named in the President's proclamation when they can cross the line into Oklahoma. All who intend going should inform themselves fully before starting, as to the easiest, quickest and best way to reach the country in time to secure their homest-ads and to be on the ground ready for business at the earliest possible moment. Examine the official maps and make no mistake as to your route. The Atchison, Topeka & Sauta Fe R. R. is absolutely the only railroad built and operated into and through Oklahoma. Two daily trains in each direction through the country. The U. S. Land Office for the eastern land district of Oklahoma is located at Guthrie, directly on the line of the Santa Fe. The U. S. Land Office for the western district is located at Kingflisher Stage Station, thirty miles west of Guthrie and off the line of any railroad. Kingflisher Stage Station is, therefore, most easily reached via the Santa Fe to OKLAHOMA.

Kingfisher Stage Station, thirty miles west of Guthrie and off the line of any railroad. Kingfisher Stage Station is, therefore, most easily reached via the Santa Fe to Guthrie, thence by stage. This is forty miles less stage ride and twelve hours shorter time than via any other route to Kingfisher. The Santa Fe Route connects with the important lines from all parts of the country, and reaches Oklakoma direct from Chicago, Kansas City, Leavenworth, St. Joseph, Atchison, Topeka, Ablleue, Salina, Concordia, Minnenpolis, Kansas, McPherson, Newton, Wichita, Winfield, Wellington, Caidwell, Hutchinson, Great Bend, Larned, Dodge City, Denver, Colorado Springs, Pueblo, Trinidad, Las Vegas, Santa Fe, Albuquerque, Socorro, El Paso, Deming and Silver City. For complete and reliable information regarding rates, tickets and train service, call on ticket agents of Santa Fe route or address GEO, T. Nicholson, G. P. & T. A., A. T. & S. F. R. R.,
